

ECCA

Early College & Career Academy

High school juniors and seniors:

Earn dual credit, technical skills, industry-recognized credentials, and Parkland College certificates through the Early College and Career Academy.

About the ECCA

The Early College and Career Academy (ECCA) is a joint effort of Education for Employment System #330 (a K-12 Career and Technical Education cooperative) and Parkland College.

Who is eligible?

All high school juniors and seniors in Parkland College District 505. High school juniors and seniors earn high school and college credit, all while gaining skills in Parkland College degree programs.

What programs are offered?

- Automotive Technology
- Collision Repair
- Computer Networking
- Computer Programming
- Criminal Justice
- Certified Nursing Assistant
- Emergency Medical Services – Fire Science Focus
- Emergency Medical Services – Health Professions Focus
- Industrial Technology: Machining, Welding, and Design

How much does it cost?

Cost varies by school district, but in many cases, the classes are free of charge, including books and transportation to Parkland.

How do I apply?

Talk to your high school guidance counselor.
